How It Works

From sign-up to live automation in 3 simple steps.

1 **Create Your Account**
Sign up free. No credit card required. Your account is ready in under 60 seconds.

2 **Choose an AI Blueprint**
Browse 76+ pre-built automations. Filter by category: lead gen, social media, email, CRM, customer service, and more.

3 **Connect & Activate**
Enter your API credentials (OpenAI, HubSpot, Gmail, etc.), review the workflow, and flip the switch. Your automation is live.

Blueprint Categories

- Lead Generation & CRM
- Social Media Management
- E-commerce Operations
- HR & Onboarding

- Email Marketing Automation
- Customer Service AI
- Data & Reporting
- Finance & Invoicing

What Our Customers Say

"
The automation systems save us 30+ hours every week. Our team can now focus on strategy instead of repetitive tasks.

Marcus Chen
CEO, GrowthStack Agency

"
Our lead generation went from manual spreadsheets to a fully automated machine. We 3x'd our qualified leads in just 2 months.

Jessica Rodriguez
Marketing Director, TechFlow

"
Afterlyt showed us how to start small and scale. Now AI handles 60% of our intake process.

David Park
Owner, Park Legal Services
